

HEALTH & beauty

Ioniplex® is by nature one of the most potent antioxidant rich ingredients available on market today. This, added to the fact that it is backed by multiple studies showing massive increases in collagen production, hair growth and strength, and an incredible increase in nail growth makes it a must have for your beauty line. Added to your formula or used as a standalone product, Ioniplex enhances your client's health and beauty and your bottom line.

Ioniplex® Benefits

- Hair, Skin and Nails
- Natural Collagen Production
- Vegan Friendly
- Enhances Cellular Health

Endless Applications

- Personal Care Products
- Dietary Supplements
- Anti-aging Products

Our Research Results

- Clinically-tested/clinically-effective in a well-controlled in vivo double-blind placebo clinical study shown to improve nail growth, nail strength along with improving hair and skin parameters as well*
- Stimulates mitochondrial activity nearly 35%*
- Stimulates the expression of key genes involved in mitochondria metabolism including energy production 200% to 370%.*
- Increases the production of type I collagen over 40%*
- Increases beneficial bacteria while inhibiting pathogenic bacteria (prebiotic effect)*

Elevate your brand's potential with Ioniplex!

Ioniplex® has the power to make any ingredient more bioavailable. By enhancing the rapid absorption of nutrients into the cellular structure, Ioniplex enables your product to maximize its potential. As a result, your customers experience the full effect your product offers.*
